Subject: RE: Wedron, IL - proposed AOC and Workplan from BP
Jacquie – I'm following up on our phone call this afternoon discussing revisions to the workplan. Subject to BP and EPA reaching agreement on the workplan that will be an Exhibit to the AOC, the terms of AOC that you sent me on August 29 are acceptable to BP.
We will be in touch next week with the revisions to the workplan that we discussed today. Thanks.

Doug – attached is the draft AOC with some of your edits accepted, as discussed, and additional edits included for your review. After reaching agreement on the substance of a final AOC, I will need to insert the docket number and correcting any formatting/page number issues. A draft final AOC will also be subject to review/approval by EPA HQs and management. Please feel free to call me to discuss any of the edits in the attached document.

Subject: Wedron, IL - proposed AOC and Workplan from BP

Jacquie – I'm attaching a mark-up of the proposed AOC. Jane Bohn had to step out of the office unexpectedly this afternoon, so she might not complete the workplan today. Rather than waiting on everything, I thought I would send the AOC to you, and I will follow up with the workplan as soon as its ready.

As David mentioned in his note yesterday, BP and Illinois Railway prefer to have separate AOCs and workplans. We did confer about the workplans, in an effort to give you consistent proposals.

If you have any questions prior to our discussion on Wednesday, please let me know. Thanks.
